

# SLÁINTE

(SLAHN-CHA)

The Dubh Linn Gate's origins are deeply rooted in Ireland's traditional heritage.

Dubh Linn translates from Black Pool and refers to the dark pool of water which lies beneath the heart of Dublin.

Located near St James Gate Brewery, where Guinness originates, these dark waters are said to be the inspiration for Arthur Guinness' perfect pint since 1759. Tip a glass of Guinness and enjoy the tastes and sounds of Ireland right here in Vancouver.

All prices do not include tax.
